

January 30, 2010

Dear College Counselor,

We are pleased to enclose our scholarship materials for the 2010 \$10,000 Ozarka "Every Drop Counts" Earth Science Scholarship. For nine years our company has awarded two students in the state of Texas a \$10,000 scholarship each. We are looking forward to a new year of student applicants with bright potential.

This scholarship is intended for students pursuing degrees at a four-year college or university in the field of earth/environmental science. Examples of earth/environmental science fields include but are not limited to: Geology, Hydrogeology, Environmental Science, Environmental Law, Environmental Education, Forestry, Oceanography, and Ecology.

If you need additional copies of these materials you can find this information on our company Web site: [www.ozarkawater.com](http://www.ozarkawater.com). Scholarship documents are located in the "Doing Our Part" section at the bottom of the page.

The deadline for all materials to be submitted is Friday, April 2, 2010. Winners will be announced in June 2010. If you have any further questions, please contact the scholarship committee at: [edcfund@texas.net](mailto:edcfund@texas.net). We will be happy to assist you through this process.

Best regards,

*Catherine Hester*

**(Please turn over page)**

The scholarship committee will announce the names of two award recipients on or before June 15, 2010. The decisions of the Scholarship Committee are final. The two winning applicants for the scholarship will receive notification of the Committee's decision by U.S. mail and by phone. Candidates who are not selected will receive notification by U.S. mail. ***Please be sure to include correct contact information in the application. The scholarship committee must be able to reach the winning candidate(s) in order to distribute the scholarship award.***

### **Terms of Award and Distribution of Funds**

By signing the "Every Drop Counts" Earth Science Scholarship application, the two scholarship winners agree to the terms of the award. **This agreement includes being enrolled at or accepted to a four-year accredited college or university by the application date.** If the winning candidate is a high school senior/incoming college freshman, proof of enrollment must be provided before funds may be disbursed.

The Scholarship Committee will pay the scholarship award to the college or university of each winner's choice, and will be distributed according to the winning candidate(s) college or university Financial Aid department. This check will be posted by the college or university to the recipient's account at the college or university he or she is attending. Scholarship checks will not be given to the recipients.

Each scholarship winner will relinquish all unused tuition credits and/or un-disbursed financial assistance related to the scholarship award should recipient fail to meet above stated terms for any reason. Determinations of failure to meet stated terms will be made by the Scholarship Committee or college/university officials. Any unused portion of the scholarship will be returned to the Ozarka "Every Drop Counts" Earth Science Scholarship Fund.

### **Essay Instructions**

Each applicant for the "Every Drop Counts" Earth Science Scholarship is required to submit a typed (double-spaced) one to two page essay about why they are currently pursuing a degree in Earth/Environmental Sciences, detailing courses of study. The essay is to be submitted with the scholarship application form and other required documents. Applications become the property of sponsor and will not be returned.

I understand and agree to the above terms for the "Every Drop Counts" Earth Science Scholarship Fund.
