

## **College Information**

**It is so important for you to gather as much information as possible about perspective colleges before you make decisions on where to apply. Please see the links below to help you learn more about admissions, majors, and paying for college.**

### **College For Texans**

Everything a Texan needs to know about preparing for, applying for, and paying for college or technical school.

### **Texas Common Application**

Apply online to Texas colleges.

### **Common Application**

One online application to 347 different colleges and universities across the nation.

### **NACAC for Parents & Students**

Resources for college-bound parents and students.

### **College Navigator**

Search for colleges, build a list of schools for side-by-side comparisons, pinpoint school locations with an interactive map, export search results into a spreadsheet, save your session including search options, results, and favorites.

### **Collegeboard**

Resource for college entrance tests, college planning, college search, applying to and paying for college.

### **YOUiversity TV**

Online video resource community, where you can watch HD video campus tours of 100's of the top colleges & universities in the US. Get an "all-access" pass to venture into the dorms, classrooms, special project areas - everywhere on campus, and see interviews with students, faculty members, deans, admissions personnel, etc. You can also use the "Match Me" tool to match your personality with different colleges.

### **Colleges That Change Lives**

Non-profit organization dedicated to the advancement and support of a student-centered college search process. Their goal is to help each student find a college that cultivates a lifelong love of learning and that provides the foundation for a successful and fulfilling life beyond college.

### **Cappex - Where colleges apply to you!**

A free service that helps students connect with colleges that want them before they apply. Discover your chances for getting into the college of your choice.

### **Supercollege**

Offers help throughout entire scholarship and college application process - filling out applications, writing essays, visiting colleges & interviewing.

### **CollegeWeek Live**

The leading FREE online College Fair and admissions event website. Teens can connect to admissions reps from hundreds of colleges and see current college student video webcasting about campus life.

### **My Majors**

Have you decided that you want to go to college, but don't know what you want to major in? If you aren't sure, MyMajors.com can provide useful advice on college and university majors that a high school senior with your interests and achievements might do well in.
