

Parents,

If your child will be taking Art in the 6th grade, they will need the following supplies. We have been able to get a great deal from Asel Art and pass along a 41% savings to you. It is a full package and all items must be purchased as a set. The mesh zipper bag will be theirs and they will use their own supplies from that bag throughout the year. This is the same process that the high school art classes use for their students. Orders will be placed through the school and checks made payable to AIS. **All orders will need to be placed by August 23, 2011.**

Student Name: _____	Kits ordered: ____ x \$41.00 = _____
Check number: _____	Date order placed: _____
