

AIS SOARING EAGLE

events & news

Dear AIS Family,

It is very exciting to be approaching the holiday season and the mid-point of the school year. The first semester has flown by and it will be the New Year in a blink of an eye. As we approach the coming holidays I hope everyone in our AIS family is able to rest, relax, and reflect on the many blessings we have. Our school year has gone so smoothly and we have had the opportunity to witness many wonderful acts of kindness and compassion from our students this year. As a school, we appreciate the time and energy so many of our parents devote to helping make our school a great place for kids.

From the entire faculty, I want to wish each of you a wonderful holiday and happy new year.

May your families be blessed and rewarded as we enter the new year.

Happy Holidays!

Sincerely,
Conrad Streeter & AIS Faculty

Dear AIS Parents,

It is hard to believe that our first semester is gone and a new year beginning. We are so appreciative to those of you who have volunteered your time to support the staff and children at AIS. You make a difference every time you take time out of your day to help. We also thank all of you who were able contribute financially to our PTA this year. The character program that has been established with those funds is helping to build integrity in our kids every day.

We would like to wish you a blessed holiday with your friends and family. For those of you traveling, we wish you travel safety and protection.

We look forward to a fantastic 2010!

Jana Weaver
AIS PTA President
