Notice to Parents

This school periodically applies pesticides as part of an integrated pest management program. All persons applying pesticides at this school are required to receive special training in pesticide application and pest control. In addition, this school has a policy that requires use of non-chemical pest control tactics whenever it is possible that pesticides may periodically be applied.

Should you have further questions about pesticide use, including the types and timing of treatments, you may contact:

Jim Hash IPM Coordinator

at

Address: 800 Eagle Dr.
Argyle, TX. 76226
