

Dear Argyle Athletic Parent,

The Argyle athletic programs require every athlete to complete an annual physical. The Argyle I.S.D. athletic physicals will be conducted May 19, 2010 at Argyle High School. The physicals will start at 6:00 PM for all 2010-2011 9<sup>th</sup>-12<sup>th</sup> grade athletes. I'm asking everyone who gets a physical to consider a \$15.00 donation to the Student Trainer Scholarship program.

Please acknowledge the following concerning the physicals:

- 1) When: Wednesday, May 19th at 6:00 PM.
- 2) Where: Start in the main competition gym/cafeteria area.
- 3) Cost: \$15.00 donation per physical.
- 4) Who: All male and female 2010-2011 9<sup>th</sup>-12<sup>th</sup> athletes
- 5) Be sure to completely fill out the Argyle ISD athletic packet. You will need to print the form once it is filled out and sign it. If you do not have access to a printer, you can pick up a packet from Mr. Allred in the training room. (Medical History, UIL Steroids Statement, UIL Rules Acknowledgement, and Emergency Information Card).
- 6) Return the completed Argyle ISD athletic packet to Mr. Allred by Wednesday May 19<sup>th</sup>.
- 7) When you show up for your physical, Mr. Allred will return your packet to you. If it is not filled out, then your parents will have to be present to complete the paperwork before you will be allowed to get your physical. It is very critical that you get this completed before you show up on May 19th at 6:00.

When the packet has been returned to Mr. Allred, you will be officially signed up for the physicals. If you do not return the packet completely filled out then you will not be guaranteed a physical May 19th.

All student athletes for 2010-2011 must have a completed physical and Argyle ISD athletic packet on file with Mr. Allred prior to your first day of workouts in August. Argyle ISD is very fortunate to have several healthcare professionals and physicians to donate their time to assist us with our athletic physicals. The medical professionals volunteering their time for this event will not honor the physicals at their site for the same donation. If you go to their offices for physicals you will be expected to pay for the services rendered. If you have any questions please contact Mr. Allred at [dallred@argyleisd.com](mailto:dallred@argyleisd.com) or 940-465-0147.
